**FREEPORT COMMUNITY PUBLIC SCHOOL FUND
GRANT APPLICATION PRE-APPROVAL FORM**

All non-profits agencies in Freeport School District #145 planning on submitting grant application(s) for a project done in partnership with the Freeport Community Public School Fund (FCPSF) must obtain written certification of the project from FCPSF before submitting a grant application to the Freeport Community Foundation.

This form should be used for the certification process. Please print **all pages of this form**, complete it as accurately as possible and send **all pages** to the Freeport Community Public School Fund, PO Box 778, Freeport, IL 61032. (Phone number: 815.232.0308, Email: FCPSF@fsd145.org)

FCPSF Board of Directors meets monthly, August through May, and approves a limited number of requests for certification. An approved request requires the Grant Coordinator and Grant Administrator to sign an FCPSF Grant Agreement. Please allow 4 weeks for this process. Forms indicating FCPSF approved certification of your grant project proposal **must** accompany your grant application to Freeport Community Foundation for potential funding.
